

Flow-chart of the authorisation process of feed additives

Applicant: company/ies applying for an authorisation of feed additive(s)

Example: FEFANA Consortia are applicants.

EC: European Commission

The Directorate General on Health and Food Safety (DG SANTE) is in charge for this matter.

SC PAFF : Standing Committee on Plants, Animals, Food and Feed

Made-up of representatives of Member States. The section Animal Nutrition liaises with the applications of feed additives.

EFSA: European Food Safety Authority

The FEEDAP Panel, made up of external scientific experts, is responsible for the risk assessment of feed additives.

EURL: European Union Reference Laboratory

It operates within the remit of the European Commission Joint Research Center (JRC).

EC / SC PAFF discussion on EFSA opinion and proposal for authorisation

EC / SC PAFF adoption of authorisation

Publication of authorisation in EU Official Journal
